

## What are you doing on the 29<sup>th</sup> to 31<sup>st</sup> May 2010.....

We hope the answer is, coming to the **ALRC National Rally with Cornwall and Devon Land Rover Club**. Our club is family based and we love a good party, so you know the drive down will be worth it.

Come and join us for a great long weekend with all the competitive fun of a 12 section RTV and CCV. If you've heard of, or been to our 2 day Charity Event you will know how good this competition ground is, and for the "Comper", out there is 4.5 miles of fast hard run. For the younger ones there is a Tyro and Bike Trial. The Concours Event means you can get to show off your pride and joy, win trophies for working vehicles or for that special vehicle in your life, so you don't even have to get it covered in mud!

There will be a Beer Tent open from 12 to 12 (Friday to Monday) and on-site caterers who will be in the competition grounds as well, also trade stands.

So come down and visit us, make it a holiday and visit some of the great attractions in Cornwall and Devon, like the Eden Project, the National Aquarium, Plymouths new shopping Centre, there are plenty of things to do and see. Remember, if you don't want to cook, there is a wide variety of pubs, chip shop takeaways and restaurants not far from the site, also an LPG station open all weekend and Supermarkets close by.
